**MAKE THE
WATER
CONNECTION**

Clean water. It starts with you.

Capturing roof runoff in a rain barrel saves a lot more than rain. You'll save money by watering lawns and flowers without using tap water, help reduce storm water runoff that stresses lakes and rivers, and reduce demand on water sources during peak summer months.

Save even more with the **CMWEA Rain Barrel Sale** — get a high-quality rain barrel with lid, spigot and drain plug for **just \$70!**

Saving money and the planet — now that's a great deal!
